

Girls Youth Softball Registration and Skills Clinic Information

The Waterville Parks and Recreation Department is sponsoring a youth softball program for girls up to age 12 (must be in Grade K or higher). Players will participate in an "In-House" League and play against teams from surrounding communities. Games generally begin in early May. This year we will feature three "leagues" of play. Girls will be placed on teams based on age, grade, prior experience, and/or number of participants in each level.

Age is determined by the age of the child on 1/1/15.

We are asking that interested individuals register as soon as possible so that we can determine teams and coaches early. This will allow time for practices to begin prior to games starting.

Instructional League - U8 (Girls 8 & under - must be in Grade K or higher)

This league will focus on the players learning to develop the proper skills to play the game of softball. Coaches will pitch to players. Score will not be kept at games as this is strictly a learning environment.

Minor League - U10 (Girls 10 & under) Players in this division should have prior playing experience.

This league will focus on having the girls develop in a real game situation. Girls will be able to pitch, but not with a full windmill technique. Games will be officiated by coaches.

Major League - U12 (Girls 12 and under)

This league will be based on the same rules as junior high school softball utilizing the 10th fielder. Girls will be allowed to pitch with full windmill techniques. Games will be officiated by umpires.

Mistie Bickford, head coach of the Waterville Varsity softball team, along with members of the junior varsity and varsity teams, will be hosting a free skills clinic for all girls interested in participating in our youth softball program. Girls will be teamed up with players to work on several different elements of the game, such as throwing, hitting, and catching. Registrations will be accepted on this date; however we prefer them prior to the clinic, if possible.

WHEN: Saturday, April 4, 2015

TIME: 12:00 pm - 2:00 pm
